

National Alliance on Mental Illness

SAN DIEGO COUNTY NAMI WALK

The Event

NAMI Walks for the Mind of America is a day that seems almost magical, with over a thousand people coming together to learn more about mental illness, develop stronger ties with one another, and celebrate a beautiful day with friends and loved ones.

The Reason

NAMI (National Alliance on Mental Illness) is a grassroots organization that supports family members and consumers in their struggle towards improved mental health. One in five people will be treated for a biological brain disorder at some point in their life. NAMI Walks for the Mind of America, the annual NAMI San Diego County fundraiser, is a big part of the solution. Financial support that NAMI receives from the Walk is used for its programs that increase mental health recovery and reduce stigma.
